Yes No

We consent to our child being video-recorded and that the kindergarten/school shows pictures/videos where our child is depicted during kindergarten/school activities (e.g. at a parents' meeting).

We consent to pictures of our child being used on the kindergarten's/school's website or brochures. Names and pictures will not be connected. Portrait pictures of children will not be published.

We consent to the video-recording of our child in connection with the training and guidance of staff. All recordings will be deleted after use.

We consent to the kindergarten/school providing names, group affiliation and parents' contact information to photographers taking kindergarten/school photographs if this does not involve an active or passive obligation to purchase these photographs.

If necessary, we consent to the kindergarten/school using a private vehicle to drive our child during the kindergarten/school day, provided that proper child safety precautions are taken during the transportation.
